Clip Flash Drive

Take your data anywhere, anytime

With maximum portability, the unique carrying clip attaches the drive quickly and easily to backpacks, shoulder bags or belt loops. This ensures that the drive is ready to go anywhere it's needed. The drive is small and lightweight so it fits easily into any available USB slot.

Its tough durability and rubberised exterior casing protects the drive from accidental damage due to wear and tear or exposure to the elements. The casing securely grips the drive to prevent loss. With a unique form factor, the drive is unlike any other USB Flash product on the market. The Clip Flash Drive – demonstrating Imation's leadership in design.
